MDBA RECEIVES BASIN PLAN GUIDE FEEDBACK

Rural Industries Research and Development Corporation

The Murray-Darling Basin Authority has consulted with around 0,000 community members at 28 community information sessions on the Guide to the Proposed Basin Plan.

Summaries of the feedback provided to the Authority have been available on the website following each meeting. Check www.mdba.gov.au/communities/latest-news

The Authority will accept feedback on the Guide at any time, but feedback submitted by the end of November will be considered in the preparation of the proposed Basin Plan. The proposed Basin Plan will be released next year for further detailed consultation.
