### Preparing Farmers for Climate Change

The Federal Government has allocated \$26.5m to train farmers in preparation for climate change. Primary producers will be able to apply for grants of up to \$1500 each financial year to attend approved training courses, which will help to cover travel, accommodation and childcare costs. Information on FarmReady and participating courses will be released through DAFF at: [www.daff.gov.au/agriculture-food/australias-farming-future/farmready](http://www.daff.gov.au/agriculture-food/australias-farming-future/farmready)
